

Kare'n' 4 Kids

Permission to Transport

Occasionally we need to take our own children to activities they are involved in, or we may wish to take your child(ren) on a field trip. These occasions will require us to transport your child by moving vehicle.

We have taken the Child Passenger Restraint Safety Training mandated by the State of Minnesota.

Kare'n' 4 Kids will provide the safety-approved car seats when necessary.

We carry copies of each child's emergency medical information with us in the event of an emergency away from the child care home.

I, _____, give permission for my child(ren) to travel in a moving vehicle with Karen Johnson of Kare'n' 4 Kids or with other pre-authorized individuals. I understand the provider will always use proper safety restraints and will never leave any child unattended in a vehicle.
