

LAURA'S HOUSE OF STORIES

Laura's House of Stories provides creative, energetic and enthusiastic story telling for your day care children.

My story telling not only includes folk and fairy tales, it also includes finger plays, puppet shows, poetry, story-telling crafts, music, games, and lots and lots of participant involvement.

If you're interested in a story-time full of fun-filled, educational excitement for your day care children, please call me, Laura at 952 882-9002 for details.

I am now scheduling in your area for the 2009-2010 school year.

My background includes teaching and coaching. I have a masters degree in education and have worked with children of all ages. In addition, I have taught Sunday school, and have been a Girl Scout leader for many years. This is the 12th year of Laura's House of Stories and working with day care children. I have been through the day care licensing process, and I am on file with Dakota County.
